Annual Advertisers Tribute

Dear Island Newcomers:

As newcomers to the area, it takes time and effort to replace the resources you depended upon before moving to the island. We are fortunate that this area offers excellent professionals and services and we are pleased to bring you this special **Tribute to Our Advertisers**.

This advertising goes a long way to supplement our operating costs for the entire year. The advertisers, through their support, allow us to enjoy our monthly General Meetings at reduced costs.

We urge you to do all you can to support these advertisers. Keep this tribute in a prominent place and make it your “go-to” resource for quality services and professionals in the Golden Isles area.

And when you avail yourself of these specific advertisers, please let them know where you heard about them and thank them for all they do for us! They want to know that their hard earned advertising dollars are at work. And they want to meet the people they’ve worked hard to reach out to as our community grows!
