

Island Newcomer Club Winter 2020 Newsletter

Message from the President ~

MID-YEAR STATUS REPORT

Greetings Newcomers!

This is turning into a banner year for your club, New members are continuing to join almost daily. As of this writing we have 369 members. Participation at our Meet & Greets continues to set records. Our Island Adventures trips also see strong demand as do our Activity Groups.

As you know, Newcomers is an organization of volunteers. We volunteer in the Greater Golden Isles community and our club is, in turn, operated by volunteers. As we turn the corner of the new year, we now begin the process of identifying current 1st and 2nd year members who will step up to leadership roles next year. All Board of Director positions must be

elected by the membership and activity committee chairs identified.

To begin the process the Board has appointed a nominating committee which will compile a list of nominations to be presented at the March Meet & Greet with Board election scheduled for the April Meet & Greet Annual Meeting. The Nominating Committee is shown in the side panel. Contact any committee member to indicate your willingness to step up to club leadership. The Board and Activity Committee positions are listed on page 12 of the Newcomer Directory and on the website under CONTACT / THE ORGANIZATION.

Gordon Jackson
President

Nominating Committee

Sara Catherine Vaughan,
Chair, 404-660-7190
